

 **Goal**

The overall goal of *Children Study Their World (CSW)* is to
 –emotionally, physically *and* cognitively.

 **What**

build upon children’s knowledge
 and increase in complexity. Each project supports children’s
 of a topic and and
 discovery about their world.

 **Why**

CSW is based on principles of and driven by evidence-
 based practices that build teacher capacity and support successful
 implementation. CSW is fully aligned with
 and .

 **How**
